SEPT. NEWSLETTER

2009-2010 DANCE SEASON

We are looking forward to getting to know all our students and their families. This marks the beginning of our 40th season providing dancers with a positive outlook to dance. In an effort to improve communication and "go green" by saving paper, we will begin to electronically send home many of our updates, newsletters and other information. Please add us to your email address book. Emails will be sent from spdance@hotmail.com and spdance@verizon.net. Approximately one week from the distribution of information, it will also become available for viewing on our website at www.discoverspdance.com. We will have paper copies available for you, if requested. Thank You for supporting our efforts to be environmentally and cost conscious. We value our partnership with you and strive to provide you with accurate information in a timely manner.
