

To all SPSD dancers and parents:

There are currently a few topics we here at SPSD would like to address. Please read the following and feel free to bring any questions to the attention of the office personnel. They will be happy to assist you!

#1 Parking-

SPSD has a limited amount of parking spaces for its patrons. Wake & Bake, the business adjoining to us, has the sole use of the 3 front spots and the first 3 spots on their side of the building. Their parking spots are reserved for their patrons ONLY. We request that only patrons of Wake & Bake park in their designated spots. Because of the limited parking at SPSD, we have left a lapse between classes for 1 class to leave and another to arrive. Also, to avoid an overload in the lot, only 1 car per student may park in the spaces limited to SPSD.

#2 Visitation-

During the first 2 weeks of class, we have had some instances where the waiting areas have become overcrowded with too many family members and children. This in turn created a distraction for the student's and the parents trying to watch their children dance. We ask that only 1 parent per student visit during your child's lesson. If for any reason you must bring visitors, they must sit QUIETLY in the waiting or viewing areas.

#3 Payments-

It is now the 3rd week of lessons and some accounts are still past due. During this first month, we have waived all late fees. As of September 25th, your October tuition is due and late fees will begin to be issued if not paid on time. Also, if your child is participating in the recital your 1st costume deposit was due (\$25 per class). Costumes will be ordered very shortly and your deposits have to be made for this to occur. Please clear your account immediately if you still have an open balance.

#4 Important Student Forms-

If you did not receive your student information packet on the first lesson and the additional handouts (Halloween Parade flyer, X-Mas fundraiser, September newsletter), please see the secretary immediately. After the first month, if your student is absent, please check the waiting area for any information that might have been handed out. Also, all information can be found at www.discoverspdance.com. Also, if you have not handed in the forms to be filled out during the first lesson, please do so immediately. If we do not have the forms returned to us, your child will not be able to participate. All information must be kept up to date. Inform the secretary of any changes when you check in to your weekly lesson. Yes...you must check in before class each week!

#5 Halloween Parade-

The Halloween Parade we will be participating in is the Emmaus Halloween Parade on October 18th at 7pm. If you would like to participate, remember to turn in your parade participation form. Also, if you do not have an SPSD sweat suit (\$55 if purchased as a set), a SPSD wear order form accompanied with payment must be turned in by September 27th (this date has been extended-no orders will be taken after this date). *We are currently looking to for 2 generators to borrow for use in the parade. Please inform the secretary if you have one...Thank You!

#6 2008 Rehearsal Candid's and Action Shots-

To view and purchase pictures from Dress Rehearsal night (Recital 2008 "Do You Wanna Dance"), taken by Hub Willson, please visit us at www.discoverspdance.com and click on the link found on the home page.

Thank You For Your Cooperation!
